Summary

Aspiring Software Developer with a strong foundation in Python, Oracle SQL, and data analysis. Hands-on experience through academic and personal projects in developing scalable applications, solving real-world problems, and analyzing data. Proficient in Power BI, Excel, Python libraries, Git, and software development fundamentals with a passion for building efficient solutions.

Education

2026	Electrical and Electronics Engineering, **SRM TRP Engineering College**	CGPA: 7.91
2022	12th HSC, Ponnaiyah Ramajayam Public Higher Secondary School	Percentage - 72.1
2020	10th SSLC, Ponnaiyah Ramajayam Public Higher Secondary School	Percentage - 71.4

technical Skills

Python, Oracle SQL, Power BI, Excel, Pandas, Numpy, Matplotlib, Seaborn, Requests, Beautiful Soup

Internship

Pyspider - Data Science Intern August - 2026

Worked on data preprocessing, exploratory data analysis, machine learning, and visualization using Python, SQL, Power BI, and Excel to support data-driven decision-making.

IPCS Global - PLC Programming Intern August - 2024

– Completed a hands-on internship in PLC Programming, focusing on industrial automation, ladder logic programming, and PLC troubleshooting.

Projects

Mental Health Analytics – Performed data cleaning, analysis, and visualization using Python, Pandas, NumPy, Matplotlib, and Seaborn.

Blinkit Sales Analytics – Designed an interactive Power BI dashboard to visualize sales performance, KPIs, and business trends using DAX and Excel.

Indian Railways Train Information Scraper – Built a Python web scraper to automate train information extraction using BeautifulSoup and Requests libraries.

Twitter Sentiment Analysis – Developed an NLP-based sentiment analysis model to classify tweets using Python, text preprocessing, and machine learning.

Presentation

Evaluation of Grid-Connected Solar–Wind Hybrid Energy Systems for Supporting Electric Vehicle Charging Stations

Presented at the *International Conference on Integrating Recent Innovations in Science and Technology (ICIRIST 2026)*, Dhanalakshmi Srinivasan Engineering College, Perambalur, Tamil Nadu, March 2026.
